Education

Diploma
Datta Meghe Polytechnic
April 2014 - April 2017

Technical Skills

React JavaScript
Responsive Web Design
CSS3 HTML5 Redux
RESTful APIs Git Vue.js
MongoDB Express.js

Soft Skills

Attention to Detail
Problem Solving
Effective Communication
Teamwork Adaptability
Time Management

Shantanu Pathak

Frontend Developer(React)

Professional Summary

Dynamic Frontend Developer specialized in React.js with expertise in creating responsive, high-performance web applications. Proven track record . Exceptional problem-solving skills and strong collaborative abilities to ensure seamless integration and optimal user experiences. looking to learn more Technology

Experience

CAPGEMINI | Frontend Developer February 2022-present

- Collaborated with team members to translate project requirements into user interfaces.
- Developed reusable React.js components, ensuring code quality and scalability.
- Integrated frontend components with APIs, enhancing application performance.
- Optimized web applications for speed and cross-browser compatibility.
- Conducted testing and debugging to ensure application reliability and stability.

Projects

LifeCart [Live Demo Link](#) [Github Repo Link](#)
React Node.js MongoDB RESTful APIs
SCSS

- Developed a fully functional e-commerce application using React.js for frontend and Node.js for backend.
- Implemented product search functionality and filtering options such as size and color.
- Utilized MongoDB for data storage and managed RESTful API integrations for seamless backend communication.
- Styled the application using SCSS to ensure responsive and visually appealing user interfaces.
- Conducted thorough testing and debugging to ensure cross-browser compatibility and optimal performance.
